- Quick learner.
- Research & Data collection skill.
- Good communication skill..
- Can work in team as well as individually.

EMPLOYMENT HISTORY

Project Manager at Rohan Tech

Rohan Tech is the Tech. Support provider of the next generation. While creating an organizational model for Universities and also for customer interaction, we tried to go a stepahead by creating an atmosphere that is both professional and friendly for University. Also, much attention is paid to personal space and the development of Students and teachers.

The Projects I worked on with Universities:

Bhagat Phool Singh Mahila Vishwavidyalaya , Sonipat, HR

- National Student Development Program .
- Right To Information (RTI) .
- Civil Liberties in Parliamentary Democracy: Issues and Challenges In India.
- Living Beyond Means: Environmental Issues and Challenges .
- International Moot Court .
- Journey of Teacher Education from Vedic Era to NEP.
- National Workshop on Research Methodology & Data Analysis .
- Idea -Bankruptcy of Educationists and Thinkers
- Pedagogical Innovation - NEP 2020.

Delivered presentations and briefings to senior teams and incorporated changes into projectworkflows. Managed client expectations with professional, considered approach to projects.

Reported project status and financial updates to university and collected feedback from participants.

Data Manager & Tech Support

Narwal & Associates, Rohtak, HR

- Developed and updated databases to handle customer data
